

JUNE 2011 NEWSLETTER

Message from our Commodore - Bruce Williamson

If you did not make it to the last function in May, you missed a good time. B Dock's pajama party and brunch gave everyone a chance to sport those PJ's and have a few laughs. Congratulations to the winners of the best costumes. B Dock gave out gift certificates to the winners. They also gave out a lot of prizes at the 50/50 drawing. Steve Thompson won a nice size pot in the 50/50 and it was also his birthday!!

We are having this year's "Safe Boating Class" on June the 4th. This month's function is sponsored by C Dock and will be on the 11th with a toga party theme. They will be serving fried chicken with all the fixings. Everyone is invited to join in the fun. Let's turn the marina into our version of "Animal House". Our very own home town celebrity "Steve Waterfield" will be our DJ for the event.

Our Fleet Captain "George Utt" has a cruise planned for the 18th of June to Port Kinsale Marina. It is close and you won't need much money for fuel, so you will have some left for a good meal and some live entertainment at the restaurant. Come join in on this one and let's show Kinsale how we have fun!!

The 4th of July is coming up, so get your boat decorations together for the boat parade. There will be a boat decorating contest with prizes on Saturday the 2nd. After the parade we will have the Ice Cream Social. The summer will be over before you know it, so come join in the activities!!

See you at the marina

DOCK NEWS/MESSAGES

C-DOCK FUNCTION

DATE: JUNE 11, 2011
ATTIRE: TOGA
TIME: Social Hour 5:00 - 6:00 p.m. (Registration 5:30 p.m.)
Meal served shortly after

To all members of LCYC from C Dock:

C Dock this year, as its theme, will be doing a TOGA PARTY!!!! Now, one of the reasons this theme was chosen was the simplicity of a TOGA. If you forget to bring one from home, all you need to do to be in full costume is grab a sheet from your berth or wherever, an old piece of dock line to tie around your waist and basically that's it unless you want leaves, etc! Clothing if worn under your TOGA should be comfortable and not too hot. Food served will be Fried Chicken, Mashed Potatoes, Green Beans, and Slaw. Festivities will include, but won't be limited to, Chariot Races in Dock Carts as well as prizes for the best TOGA! Our own Steve Waterfield will be our DJ for the evening and as many of you know, Steve will play a range of music to suit everyone. As well as desserts, there will also be a Keg so we hope to see all of you at the function on the 11th!!

ATTENTION EVERYONE

Bill Weber has the equipment to test the output strength of your VHF radios. He has graciously offered to test anyone's radio and antenna for no charge. He keeps his boat on B dock in Slip B-31 and his boat's name is Maybe Later. This is a great service to us all. For safety reasons, everyone should have a working VHF radio, so stop by and see Bill for a radio check- up! Thank you, Bill for offering to do this for us all.
