

AUGUST 2010 NEWSLETTER

Message from our Commodore - David Teets

While the summer heat wave continues, Lodge Creek Yacht Club has figured out how to cool things down a little. The July event, our annual Dock Crawl, found ourselves crawling from dock to dock, and we all ended up at the pool for an evening of music, dancing, and fun in the pool. With a DJ playing til 11pm, we had music and fun and everyone seemed to really enjoy the spur of the moment "Beach Party". The rumor has it that next year's event will be even bigger!

This month, we all are headed to a Mexican Fiesta for A-Dock's August function. The plans are exciting and the activities are going to surely have us all jumpin'! A fiesta, combined with our annual Children's Fishing Tournament will make this month's event a really spectacular event. Be sure to bring out all the kids, grandkids, and any other kids you can find!!!!

All the slips are full for the August Cruise to Point Lookout which is really great, except our Cruise Director, George Utt, has been really busy trying to get "just one more slip" out of the folks at the Marina. This is going to be a "packed house" since it is Point Lookout's Annual Bluegrass Festival. All the LCYC members that are going are really pumped up about the cruise, and this should be a good one!!!

You know all what fun you are having this summer???? Be sure to invite some non-members to our functions and activities, so they will see what LCYC has to offer its members....after all, it's your Club, and we need everyone to spread the word so that others will join too!!!

See ya' at the Rivah!!
Commodore Dave

Message from our Vice-Commodore - Bruce Williamson

Well, if you didn't make it to this year's Dock Crawl you missed a **Hot Time** in more ways than one! The temperature set a record and so did the good times we had that weekend. There were lots of good food and drinks on all the Docks to enjoy as everyone went from one dock to the other and tried to find all the answers to the trivia questions. The Board had its monthly meeting before the Dock Crawl and our B-Dock Director, Paul Koenig, had the great idea of moving the party up to the pool after the Dock Crawl was over and we all agreed. We had DJ Russ Bertino playing the tunes as we all danced and enjoyed some cold drinks and conversation. The pool kept everyone cool and it was nice to see everyone having such a good time including all the kids. Later we all enjoyed ice cream at the pool. Fred was having such a good time he paid to have the DJ play an additional hour. Thank you Fred!

I am sorry that our Commodore Dave Teets was not able to stay for all the fun. Dave got a call and found out that his mother had fallen and had to leave. I talked to him later and learned she had broken her hip. Our thoughts and prayers go out to her for a fast and complete recovery.

As Vice Commodore I filled in for Dave at the trivia contest. I hope I didn't do too bad of a job. I read some of the questions and gave out prizes to people with correct answers. There was a smaller than usual crowd due to the heat I think but it was a lot of fun! We should make the pool part of more of our functions.

Get ready for a fun filled cruise on August 14th to Point Lookout Marina for their Annual Bluegrass Party. On the 21st there will be the A-Dock function and Fishing Tournament. Our A-Dock Director, Brenda Guerrero, has a Mexican theme planned with some good Mexican food. For those of you that don't know it, Brenda is a great cook and I am looking forward to it!

Take care and I will see you all at the river.
Vice Commodore, Bruce Williamson

DOCK NOTES

Special Notice - Guest fees change for the two fall functions

Our September function (E-Dock) will feature Steamed Crabs and our October function (D-Dock) will feature Baked Oysters. As all of us know, the rising costs of seafood are a burden on all of us. In our effort to continue to bring our members these two exciting entrées for the fall functions, we are forced to increase our guest fees for only these two specific events. The guest fees for the September and October 2010 functions will be increased to \$20 instead of the normal \$15. We apologize, but the increase will help us continue to provide our members with the crabs and oysters that we all look forward to.

WEST MARINE/BOAT US MEMBERSHIP

If you are joining Boat US/West Marine use the Lodge Creek Yacht **Discount No. GAB3880Y** and your membership will be half price. (That's \$12.50.)
