

DECEMBER 2009

Message from our Commodore

David Teets

By now, most of us have winterized our boats and we have turned our focus to the Holiday Season. As we scurry around, and try to get everything done that we need to do, let us not forget to give thanks for our many blessings. No matter what we are facing, we do have a lot to be thankful for!

While spring seems to be a long way off, it really isn't! If you are like me, there are many things that you want to get done before the boating season begins. As many of you know, I have a boat to "put back together", and I figure I only have a few weeks to get it done! So, I'll be at the river a lot this winter!

Our Change of Watch event is coming up soon, so be sure to sign up as it is always a great time, and a chance to take a break and have some fun!!! Check the website for the registration form. If you sign up quickly, you will automatically be registered for a free night's stay at the hotel!!

It's time to renew your membership to the Lodge Creek Yacht Club. The renewal application is on the website, and I believe that one is attached to this newsletter as well. Of all the organizations that I have ever been a part of, this one is by far the best "deal". Shoot, you get your membership fees back if you simply attend the monthly functions!! Let's not even mention all the other activities that you are a part of!!

Many of you know that boating education has now become mandatory by the Commonwealth of Virginia. LCYC will be sponsoring the safe boating classes once again this spring. So, if you need to take a class, you need to "stay tuned" for dates and times!!

Wishing you and yours all the best for the Holiday Season! See ya at the rivah!!
