

JANUARY 2010 NEWSLETTER

Message from our Commodore - David Teets

The days are getting longer, and Change of Watch is just next month!! It's almost time to start getting geared up for a new boating season, and I can't wait. Hope this finds you surviving the cold days of winter, but spring is just around the corner.

As your new Bridge is starting to put together plans for the upcoming season, your thoughts and ideas are important and I invite each of you to bring us ideas, which may help to make the year even more exciting. Please feel free to give me or any of your Bridge members a call, or email us with things that you would like to contribute. We are looking at some exciting new things and think 2010 will be one of the best years ever for Lodge Creek Yacht Club.

If you haven't signed up for the annual Change of Watch event, please be sure to do so. It is a chance to "get-away" for a fantastic weekend, and it is one of the most widely attended events of the year. Be sure to go to our website and obtain a registration form if you have not done so already. It is the weekend of February 26-28 so you don't have much time!

If you have not already renewed your membership for 2010, please be sure to do so right away, as the Secretary is putting together the new Directory, and you want to be sure that you are included in it!! Membership renewal forms are on our website.

See you soon,
Dave Teets, Commodore

Message from our Vice-Commodore - Bruce Williamson

Happy New Year Everyone,

The snow is gone here in Richmond and the Christmas rush is through. My boat is all shrink wrapped and sitting in the backyard waiting for spring just like me! I have a small case of cabin fever already, but help is on the way.

The Change of Watch will be here soon and I hope to see a lot of you there. It will be on February 26-28 at the Williamsburg Hospitality House, which is close to restored Williamsburg, and all the outlet stores. It's a great opportunity get out of the house and catch up on things with all your friends, so sign up soon!

I wish you all the best in the New Year.

Bruce Williamson, Vice Commodore
