

## MARCH 2010 NEWSLETTER

### Message from our Commodore - David Teets

If you missed the Change of Watch this year, you really missed a “special” event. Everyone had a great time, and it was really exciting to see so many friends get together and renew acquaintances. Think about it, for many of us it has been several months since we have seen each other!

Over the past two months, we have received several good ideas for the new year, and we all looking forward to an exciting calendar of events. The schedule of events is posted in this Newsletter, with the exception of the actual cruises for the year. We have several members come forth and volunteer to be Cruise Directors, and we are working on the dates and locations of the upcoming cruises. Those events should be available by the April Function.....which brings me to the first event of the season.

The April Function, with be our annual Covered Dish Dinner, which is always something to look forward to, because all of you bring forth such exciting recipes!!!! The event will be held on Saturday, April 24<sup>th</sup>, and on Sunday morning, April 25<sup>th</sup>, we kick off the year with the Continental Breakfast and Blessing of the Fleet Ceremony. By the way, I got the word, the weather is going to be sunny and warm that weekend, so make plans to attend and put the date on your calendar!!!

Looking forward to an exciting boating season and I hope to see all of you next month!!!

Dave Teets, Commodore

### Message from our Vice-Commodore - Bruce Williamson

Hello Friends,

This year's Change of Watch was a great success and set a new record for attendance. I think that everyone there would agree that Tony and Amy did an outstanding job with the Commodore's reception and the decorations in the ballroom. The pirate theme was a neat idea!

With the Change of Watch over, our eyes will soon turn to the check list of things we need to do to get our boats ready for spring. I for one will be glad to see an end to this miserable winter!

The new Board has the calendar of events all worked out. We have a few new ideas for this summer and it looks like we are all in for a good time. The first function this year will be the covered dish dinner on 4/24/10 so everyone coming try to bring something for us to all enjoy! On Sunday 4/25/10 we will have a waffle breakfast at 9.00 a.m. and the flag raising with the blessing of the fleet at 10.00 a.m.

Our new Commodore, Dave Teets, has a firm grip on the wheel. He runs a fun, but tight ship and I look forward to working with him and all of this year's Board.

As your Vice Commodore this year, my job will be all about the club and all of you. If anyone has any suggestions, or if I can be of any help, please feel free to stop by my boat in slip C-4. My door is always open to all of you.

See you at the river!  
Bruce Williamson, Vice Commodore
