

NOVEMBER 2010 NEWSLETTER

Message from our Commodore - David Teets

If you weren't at the Marina for the October function, you really missed a really good time!!! There were 180 members and guests that attended the last function of the year!!! D-Dock once again, worked their hearts out and put on a fantastic event. Of course, the October function is our Halloween celebration as well and with the weather being so nice, we had many children and adults that dressed up for the season. Prizes and trophies were awarded for costumes and boat decorating and this was truly the way to finish off the season. So, if you missed it, be sure to mark the date down and be sure to attend next year!!

As we all start winterizing, and the holidays approach, it will be a busy time for all of us. It is also a time for LCYC to begin the planning for next year's events, so if you have ideas and suggestions for next year, please be sure to let me or someone on the Bridge, know of your thoughts!!

We have included in this newsletter, membership renewal applications, and registrations for the upcoming Change of Watch. Be sure to renew and sign up for the Change of Watch before you get too busy with the holiday rush!!!

Speaking of Change of Watch..... remember, it will be on the weekend of February 18 through the 20th. If you sign up early, you not only save \$5 per person on the registration, but you are also eligible for a drawing for a FREE night's stay at the beautiful Crowne Plaza Hotel!!! Plans are coming together for the weekend's activities, and I am really excited! We are all going to Margaritaville, so make plans to enjoy yourself for the whole weekend, and remember that Saturday and Sunday morning breakfast is free this year!!

While we all had a great year, and I have enjoyed serving as your Commodore, I can only say that without the support and help of so many members, we wouldn't have had nearly as exciting a time as we did. The Bridge members worked really hard this year, and I personally want to thank each of them for volunteering their time and efforts.

Looking forward to seeing each of you at Change of Watch, and wishing everyone a joyous holiday season!!

See ya' at the Rivah!!
Commodore Dave

Message from our Vice-Commodore - Bruce Williamson

I would like to take this opportunity to thank Dave Teets for the fantastic job he did this year as our Commodore! By working beside him this year as Vice Commodore I can tell you firsthand about his genuine concern for the well being of our Yacht Club and about the many hours he put into his job

so all of us could have a good time this summer. I enjoyed working with him this year and am glad he will be back on the 2011 Board serving as Past Commodore.

I would also like to thank this year's Board for all the time and work they put in to helping make LCYC the great organization that it is! Many of this year's Board will be returning to serve on the 2011 Board and I am glad to have you all back! Welcome to our new Board members, James (JT) Taylor as Treasurer, George Utt as Fleet Captain, Steve Thompson as C-Dock Director, Jim Herren as D-Dock Director, Bill Sullivan as E-Dock Director, and Cathy Horne will be in charge of the Ship's Store.

The summer is over and people are starting to winterize their boats. That doesn't mean that all the fun is over, the Change of Watch will be here on February 18th- 20th. If you have never been to a Change of Watch you are missing the boat! It is great to get out of the house in the middle of winter and spend a weekend with friends. Let's all join Dave in Margaritaville this February and send him out in style and welcome in the 2011 Board!

Vice Commodore

LCYC GOING PAPERLESS

How would you like to have the LCYC 2011 Roster on your computer for easy access?

Well, now you have a choice.... You can either have your 2011 Roster and all future Rosters/By-Laws e-mailed to you directly or you can still have a paper copy, whichever you prefer. If you have your Roster e-mailed to you, you will get it before the first function. I can e-mail the Roster to you as soon as it is finalized. I'm shooting for February.

Of course, for the people who do not have internet access you will continue to receive your Roster's in paper format. Extra Rosters and First Mate Roster fees will remain the same and that will be in paper format.

If you can please let me know either by e-mail, phone, or when you submit your Membership Renewal Form how you would like your 2011 Roster sent, it would be greatly appreciated. If you do not specify, you will get your Roster at the first function in April as usual. Either way is fine with me. ☺ P.S. Your LCYC Membership Cards will still be given out at the first function.

Secretary

NOTICE TO ALL LCYC MEMBERS

When registering for Dock Functions, the Bridge request that Members, their family, and guests do so by entering the club house through the front door. Hopefully this will allow everyone to register and receive their name tags in an orderly fashion. The registration of members, their family, and guests will commence at 5:30 p.m. on the day of the function. Thank you for your cooperation.

ATTENTION EVERYONE

Bill Weber has the equipment to test the output strength of your VHF radios. He has graciously offered to test anyone's radio and antenna for no charge. He keeps his boat on B-Dock in Slip B-31 and his boat's name is Maybe Later. This is a great service to us all. For safety reasons, everyone should have a working VHF radio, so stop by and see Bill for a radio check- up! Thank you, Bill for offering to do this for us all.

Bruce Williamson, Vice Commodore
